## Stayton Family Memorial Pool

Fall 2010

## Fall Headlines

### "Manager Says" by Rebekah Meeks:

Summer has come and gone or did we really have summer?

The Pool had lots of activities this summer, such as:

- We held our first Jr. Lifeguarding class this summer with great results. We had a full class with all 12 guards completing the requirements to become Jr. Lifeguards. This means that they are now able to team up with a senior guard here at the pool.
- Lifeguards and Instructors had a chance to put on their swim suits for our Swim-a-thon in August to help raise funds for class and lifeguarding equipment. Thank You to all those patrons who sponsored staff.
- The resurfacing of the pool was a big project for the City. The pool re-surfacing project was completed a year earlier than scheduled. There are a few warranty issues that will be addressed by the contractor during our winter maintenance time.
- Please Use the White Stairs to Enter and Exit the Pool. The stairs by the slide are for those using the slide only, this helps Non-Slide patrons from getting hurt.

If you have any questions please come and talk to me.

## City of Stayton Triathlon Coming May 2011

The City is proud to announce the first ever City of Stayton Triathlon. The event will take place in May, 2011. The City's vision is to create an annual event that will be embraced by Stayton and it's surrounding communities as well as promoting fitness. The success of this event is dependent upon community support. All race entry proceeds will benefit the Stayton Family Memorial Pool.

- Triathlon Training is offered to anyone who is training for a triathlon or thinking about it. We have set aside time in the pool for all those who are wanting something a little different.

**Training & Lessons Tuesday & Thursday 11:00am– 11:55am**

**Rebekah Meeks will be running these classes. Contact the Pool for more info!**
